All the fabrics are available in the following finishes;

1. Loom state – Griega state, suitable for dyeing, finishing or manufacturing where shrinkage is not an issue  
Supplied in webs or rolls depending on width, of 50m+
2. Washed – our soft wash pre- shrinks the fabric  
Supplied on Rolls – 20m
3. Mill press – Reduces bounce for cutting if required. This is charged at £0.90 per metre on the washed price.  
Supplied on Rolls – 20m

### Piece dyeing

The Griega of all fabrics in the Diffusion range can be piece dyed. Generally customers prefer to handle this directly with the dyers themselves to keep costs down. However, if you need a little help we're happy to assist.

\*250m add £4.65 p/m to the washed price

\*500m+ add £2.35p/m to the washed price

\*Based upon 150cm width fabric
