The John England Fabric Range 2018

John England Jacquard and textured range of designer fabrics. Our SS 2018 range of colours and weaves was launched at 'Meet the ~Manufacturer' (Best of British) in May in London. These are ideas that have been passionately brought to life by our weavers and designers, who have been inspired by things they see around them in the countryside, as well as further afield.

These high quality fabrics are truly unique and John England proudly brings this amazing collection of unique wonderful designs and fabrics to both the retail and wholesale market.

Design your own fabric

Be inspired by your surroundings

You can send art work in,
Or we can create it for you

Minimum order quantity is
only 12 metres

All these fabrics are woven in our N.Ireland factory, and can come with the famous John England genuine washed finish.

The John England wash finish for linens is the market leader; softened in our local soft Irish waters, and preshrunk.
